The "Accelerated Death Benefit" option is available to help terminally ill insureds during a difficult, and often financially challenging, time.

Terminal Illness or Terminally III means a life expectancy of 6 months or less.

You can receive up to 50%, a minimum of \$3,000, of your insurance amount. This benefit is paid directly to you. You must have at least \$5,000 in life insurance coverage in force to qualify. The amount of insurance payable after death will be reduced by the "Accelerated Life Benefit" payment. (Premium contributions will not be reduced.)

This money can be used to help cover high prescription drug costs ... medical bills ... outstanding debts ... to help pay for experimental treatments ... the cost of modifications to your home ... or for a family vacation - the choice is yours. Receipt of accelerated benefits may be taxable.\*
